

A baroque hideaway for Adventurers...

In an unspoilt valley in French Catalonia, looking out at the snow-topped mount Canigou, you will find the Château de Riell, perched among parasol pines and oleander trees. Restored in an elegant french style, the lounges and 17 rooms and suites distil a warm, baroque and exotic atmosphere. Enjoy a nature hike across the canyons, or unwind by the pool. The outdoor options are endless.

14 ROOMS | 3 SUITES

Château de Riell boasts 17 bedrooms, which stand out for their character and refinement. Each bedroom is unique, down to the last detail and decorated with subtle and joyful Pierre Frey fabrics. The addition of custom furnishings, oak wooden floor, linen and brass provides an exquisitely relaxing environment.

Opening out onto the patio, the forest or the Pyrénées, and with the mountain providing a marvellous backdrop, each bedroom offers a cosy atmosphere surrounded by Nature.

RESTAURANT ÒLIBA

Nestled between patios and a swimming pool, Òliba boasts an unusual décor reminiscent of a large hacienda. The open hearth of the vast fireplace illuminates the curves of the patinated plaster walls, antique copperware and beautiful antique furniture with golden reflections.

Completely renovated, Chef Benoit Janet's cuisine is committed to respecting natural resources and working hand in hand with local producers. When the weather is fine, the terrace welcomes lovers of abundant nature for a dinner with their feet in the water!

ACTIVITIES IN THE GREAT OUTDOORS

Nestled in the heart of nature, Château de Riell offers all kinds of activities to enjoy the invigorating mountain air: hiking trails, cycling routes, pretty picturesque villages, hot springs for a unique experience, fly fishing and much more.

When the sun comes out, relax in the heated outdoor swimming pool on the roof: relaxation and panoramic views, sip a cocktail, and let the happiness begin.
